Colorful Splendor Lace Scarf

Show off your favorite bright palette of colors in this simple yet effective lace pattern. Dramatic colors in hand painted yarn enhance the angular movement of the stockinette-based lace in the main stitch area of the scarf.

A dainty scalloped edging begins and ends the scarf. The outer border is knit as-you-go in a textured garter-based lace that sets off the main area with a visual mixing of colors.

Pictured in Schaefer Yarns Andrea hand painted 100% silk laceweight. This bright palette of gold, rust, brown and fuchsia celebrates an autumn splendor of color.

Sizing, Yarn and Needles

32 1/2 yards of laceweight yarn for blocked measurements of 8" by 58". Length and width can easily be adjusted if desired. If widening or lengthening, remember to allow additional yarn.

Size 5 us (3.75 mm) needles suggested.

Gauge: Average of 7 stitches per inch over combination of border and main patterns after blocking under tension.

SHAPELY SANDAL SOCKS

The bold lines of textured diamonds play against tweedy multicolors in these socks featuring a delightful patterned heel. Shapely Sandal Socks provide snugly warmth even on cool days in sandals or open-backed slippers.

The tweedy variegation is created by knitting two strands of fingering weight variegated yarn together as one. Select the same variegated colorway for each strand, or even choose two different colorways for variety and fun.
