HeartStrings Pattern: A185 - 2100

*Loganberry*

This crescent-shaped shawl begins with a strip of lace edging worked on only 19 to 23 sts with an 8-row repeat. The cabled lace stitch pattern of the edging suggests the slightly oblong shape and seeds of the loganberry. The short-row body of the shawl is an easy, very lacy one-row stitch pattern that knits up in a jiffy.

**Finished Size** 82" as measured along bottom edge; 65" top edge; 14" center back length; guidance for adjusting the size is included in the project instructions; if adjusting size, plan accordingly for more or less yarn  
**Yarn** 325 yards (300 m) fingering weight; shown knitted with Mountain Colors *Louisa* cashmere/silk yarn in their 20th Anniversary Retro Color *Loganberry*  
**Gauge** Approximately 6 stitches and 4½ rows = 1" (2.5 cm) over blocked cabled lace edging pattern using smaller size needle  
**Knitting Needles** Size US 7 (4.5 mm) or size needed for gauge; these can be short straight needles or any other suitable needles you prefer for knitting the narrow rows of lace edging  
 Size US 8 (5 mm) circular in 32" - 40" (80 - 100 cm) length for knitting the main body (note: a circular needle is used to comfortably hold the number of stitches needed; this garment is not knit in the round)  
**Other Notions** 2 stitch markers; tapestry needle for weaving in cast on and bind off yarn tails  
**Skill Level** Intermediate  
**Stitch Instructions** Charted and written  
**Special Techniques** Crossed stitch to left

HeartStrings Pattern: A146 - 2101

**FLAMES OF FALL**

Delight yourself with the color and texture of Flames and Fall. Beads and lace flames endue a soft glow of warmth in this pleasingly reversible stole. The sparkle of beads highlight boldly patterned sculptured flame motifs surrounded by a textured border reminiscent of embers. The stole is knitted in two pieces, then joined at the middle by an easy method that does not require grafting. The resulting seam is nearly invisible to all but the most discerning eye.

HeartStrings Pattern: H88 - 2099

*Sunset Wrap*

Circle your shoulders in a soft glow of color.

Sunset Wrap is knitted with a slow striping yarn in a textured beaded lace pattern stitch reminiscent of the hues of backlit clouds along the horizon of a beautiful sunset over a glacial lake.

This infinity wrap is knit circularly as a large tube with lace eyelets worked on 5 of the 6 pattern rounds. If you have not knit lace where there is lace patterning every row, the Sunset Wrap is a good introduction. And even if you have, you'll enjoy how relaxing and fun this project is.

Because Sunset Wrap is pleasingly reversible, you can wear it in a variety of ways. Ideas shown here are - (top left) double twist fake Möbius shoulder wrap; (bottom left) generously sized twisted loop scarf; (below) or simply worn as a large loop to cover your shoulders and back and draped in front to bring focus to the pretty scalloped edges.
