FLAMES OF FALL

Delight yourself with the color and texture of Flames and Fall. Beads and flames of lace endue a soft glow of warmth in this pleasingly reversible stole.

The sparkle of beads highlight boldly patterned sculptured flame motifs surrounded by a textured border reminiscent of embers.

The stole is knitted in two pieces, then joined at the middle by an easy method that does not require grafting. The resulting seam is nearly invisible to all but the most discerning eye.

Shown in Crystal Palace *Sausalito*, color # 8451 Harvest.
