

Thong Socks

Socks to wear with sandals (or just because!)... a little unusual looking off the feet, but good-looking on your feet AND what fun to wear!

Includes distinct shaping for right and left feet, with separate big toe. A resilient slipped stitch 3,2 ribbing in cuff as well as instep makes these socks extra comfy.

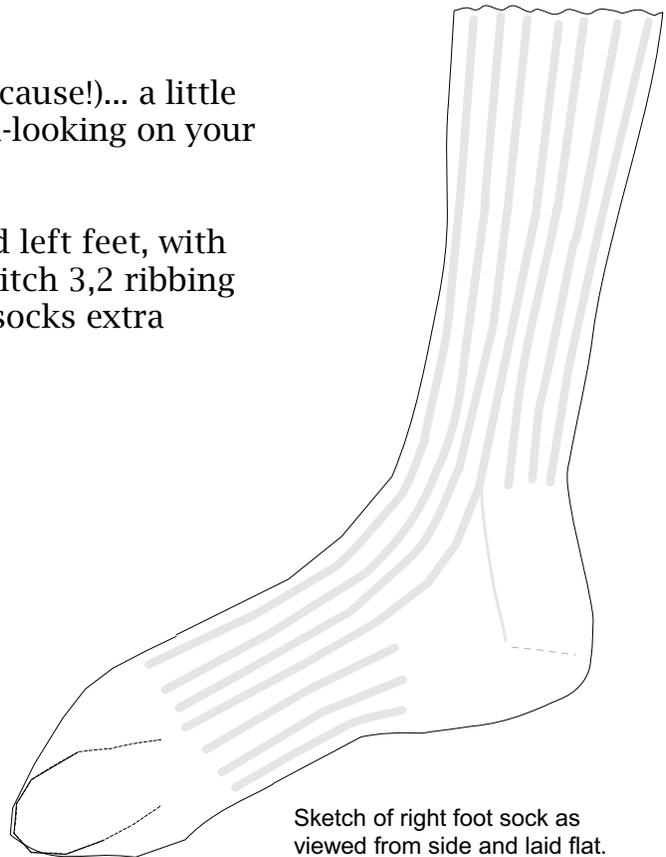

Sizing

Adult medium

Yarn and Needles

2 - 50g skeins fingering weight sock yarn (400 - 450 yards); depending on the length sock you make, you will use somewhat less — e.g. 70g/300 yards was sufficient for a finished sock foot length of 9½" with a 5½" cuff

Size 1 US (2.5 mm) double point needles, set of 4 (or size to achieve gauge)
