

# Qiviut Neck Muff

Lusciously soft and warm, this lace neck muff is designed so that it can be worn in either a cowl or yoke style.

Only two simple lace pattern rows are used to produce the zig zag ribbed lace stitch with pleasing reversibility and softly scalloped edges.

Since this project takes only a relatively small amount of yarn, it is ideal for indulging in a luxury fiber such as qiviut.

Shown in Windy Valley Musk Ox  
2/14 Laceweight, 100% Qiviut,  
color Arctic Moss

## Size

9" overall length.

Circumference of the narrower Collar Section — 18".

Circumference along edge of the wider Cowl/Yoke Section — 30".

Note: Circumference can be adjusted in multiples of the 8-stitch lace pattern.

## Yarn and Needles

150 yards of lace weight or light fingering weight yarn.

US 5 (3.75 mm) circular needle or size you need to obtain gauge, 16" length.

US 7 (4.5 mm) circular needle or 2 sizes larger than needle used to obtain gauge, 16" length.

US 10 (6 mm) circular needle or 5 sizes larger than needle used to obtain gauge, 16" to 24" length.

**Gauge** 25 stitches per 4 inches over lace pattern stitch (unstretched) on smallest size needle.

**Skill Level** Advanced beginner.
