

SAMPLE COVER PAGE

Knitted Ribbons

Make your gift one-of-a kind. Easy to knit ribbons make fancy package ties to be enjoyed beyond opening the gift. Includes instructions for two versions.

Yarn and Needles

Lace or fingering weight metallic thread. Examples are knit in a soft "chained" gold metallic yarn, of lurex and polyester at 200 yards/ounce. Allow 10 yards for a finished length of 24" in the Stairway to Heaven pattern, or 36" in Picot Loops. Allow more yarn for larger gifts.

Knitting needles size 2 us (3 mm), or close to this as gauge is not terribly important. I suggest using short needles, since you will only be working on 2 to 4 sts.
