

Headband and Scarf

An elegant coordinating set of reversible lace scarf, headband, and mitts or muffatees to keep neck, head, hands and arms warm on cool days. The undulating lacy design is reminiscent of a softly flowing river on quiet afternoons. With just two simple lace pattern rows that repeat, any of these items would be suitable for even a beginning lace knitter to make.

Mitts

Muffatees

For Lacy Riverine scarf, headband and pair of mitts or muffatees as pictured, use 3 balls Windy Valley Musk Ox, Qiviut 2/14 color Arctic Moss (1 oz/250 yds per ball).

	Scarf	Headband	Mitts/Muffatees
Finished Measurements	One size: 10" width; 54" length. Scarf can be easily adjusted for width and length. If making larger, please allow additional yarn.
