Peaks and Valleys Scarf

HeartStrings Pattern: A95 - S332

Narrow panels of lace play counterpoint against the zig-zagging path of variegated color along this scarf.

Easy to knit on just a few stitches, and enjoyable to wear in a variety of ways.

Yarn and Needles

Approximately 300 yards of fingering or light sportweight yarn - approximately 2½ - 3½ oz for blocked measurements of 5½ by 68". Length and/or width are easily adjusted for your preferences, or to the amount of yarn you have.

Size 4 us (3.5 mm) needles or size to produce a fabric with a feel that is pleasing to you.

Gauge: 6½ sts per inch over pattern after blocking. Gauge is not terribly important, as scarves do not have to be sized exactly to be enjoyed.

Pictured model was knitted in Heritage Yarns Cotton/Rayon, colorway Spring at Rocky Springs.
