POLO DICKEY

HeartStrings Pattern: H15 - 6161

The Polo Dickey is a versatile sweaterette suitable for wearing under V-neck sweaters, open-necked shirts, etc. A dickey is just right for occasions when an entire shirt under a sweater would be too much. Yet you need a little bit of extra warmth, or you want the look of layered fashion without the extra layers. Directions are included for both men's and women's styles of button plackets.

Sample model of Polo Dickey in the women's style, knitted in Lorna's Laces Swirl 85% merino / 15% silk, Vera (main color) and Berry (contrast color)
