

## Lace Leaves Scarves

Knit one or both of these companion scarves featuring interlinked lace leaves.

The narrow Lace Leaves Scarf is knitted from end to end in one piece. It makes up quickly and will be a nice treat for those on your gift list, or even yourself.

The longer wider version of Lace Leaves Scarf has shaped ends and is knitted in two pieces, then joined at the middle by an easy method that does not require grafting. The resulting seam is invisible to all but the most discerning eye.

Scarves pictured were made in Schaefer Yarns Anne 60% merino wool superwash / 25% mohair / 15% nylon . Make **both** scarves with a total of just one of their 4 oz - 560 yard skeins; keep one scarf and give the other as a gift!
