WRAPPED UP IN BOWS

A delightful lattice of lace eyelets is embraced by a diamond lace border. The corner design of I-cord tied into bows gives this wrap its name.

You'll enjoy knitting this wrap with its seamless construction — instructions for each step are given in detail with a schematic to guide you. Also, all lace stitch patterns are presented in both charted and text formats.

Sample model shown in Mountain Colors *Winter Lace*, 50% wool/50% silk, color Red Willow

Sizing Instructions are given for wraps in three sizes with guidance for alterations in length. Instructions for largest wrap (a full-size stole as pictured on this page) are listed first, with changes for smaller sizes in brackets for medium and narrow width wraps.

Finished measurements: 24 [18, 12½]" by 62" or length desired by working fewer or more repeats of the main body of the wrap.

Yarn and Needles 1000 [750, 525] yards of lace weight yarn. If adjusting length, allow 36 [27, 19] yards for each 2¼" 16-row repeat change in finished length.

US 4 / 3.5 mm knitting needles suggested.

Gauge: 23 stitches and 28 rows per 4 inches over Main Area stitch pattern after blocking.
