## Shallow Tri Shawl

The wide-angle construction of this lacebordered wrap results in a flattering cross between triangle shawl and long stole. The plain garter stitch center area allows the colors of hand-dyed yarns to be highlighted in a lacy garment in a simple, yet effective way.

The beaded lace border is worked at the same time as the body of the shawl, and frames the shallow triangular garter stitch area on all three sides. Beads are placed on stitch loops with a small crochet hook and knitted in as needed.

To left and right: examples of the Shallow Tri worn in a non-traditional "upsidedown" style with center point of shawl layered as a collar.

## **Sizing** 20" long by 62" wide.

Shawl is begun at the point. Length and width can easily be adjusted proportionately by working working more or fewer rows before completing the shawl with the upper lace border.

## **Yarn, Beads and Needles** 500 yards of lace weight yarn.

US 2 / 2.75 mm knitting needles

suggested. Gauge: 24 stitches and 33 rows per 4 inches over garter stitch.

280 size 6/0 (4 mm diameter) glass seed beads, approximately 25 g.

US 8 / 1.25 mm steel crochet hook.

If planning to increase size of shawl, please allow for additional yarn and beads as necessary.

To left and below: examples of the Shallow Tri worn in a traditional triangle shawl style either with front ends left hanging or tied.

Models shown were knitted in Claudia Hand Painted Yarns *Silk Lace*, color Passion Fruit; Miyuki beads color #592 Ivory Ceylon
