## Put on the Glitz Shrug

### Yarn and Needles

Lace weight or light fingering weight yarn — 725 (850, 925, 1000, 1075) yards. If changing planned measurements, adjust amount of yarn needed accordingly.

Straight or circular knitting needles for main body of shrug (knitted flat) — US 8 (5 mm) or size to achieve gauge. Also, double points or circulars in same size for transition from cuff to main body.

Your choice of double points or circular needles for knitting the cuffs circularly and for transition to flat knitting — US 3 (3.25 mm) or comparably smaller needle size to that for which you get gauge.

2 cable needles.

**Gauge** 21 stitches and 24 rows per 4 inches over cabled lace stitch pattern used in main body of shrug.
