

## White Lotus Stole

White Lotus features lovely scintillating organic forms enhanced by beaded nupps. The lotus flowers are framed by the bobble-like texture of the nupps, and the beads appear as dew drops on the flowers.

Shown in Colinton Australian Angoras Ultrafine Laceweight Kid Mohair;  
Miyuki seed beads, color 6-131S Silver-lined Crystal

The scallops along the edges naturally form from the heavily-biasing nature of the stitch pattern.

The shape of this stole is a cross between a rectangle and a triangle, thus providing both an interesting project to knit as well as to wear.

**Size** Finished blocked measurements: 72" (183 cm) width at top edge and 30" (76 cm) width at bottom edge; length of 22" (56 cm)

### Yarn, Beads and Needles

1000 yards (914 m) lace weight or light weight fingering yarn.

Knitting needles US 4 (3.5 mm) or size you need to obtain gauge; a circular needle is suggested as there will be many stitches in a row.

**Gauge** 24 stitches and 32 rows = 4" (10 cm) in lace stitch pattern after blocking.

Knitting needle US 8 (5 mm) - only one needed for binding off.

404 size 6/0 (4 mm diameter) glass seed beads, approximately 35 g.

Crochet hook that is small enough to insert into holes in the beads.

**Skill Level** Experienced or adventurous intermediate. Good control over tension is required for making uniform nupps. The pattern stitch is heavily biased and requires confident skills in severe blocking. A test sample is suggested to assure your completed project will be the look you want. Both charted and line-by-line written instructions are provided.
