

## Luxury Lace Socks

These fine gauge socks in exotic laceweight yarns are an extra special treat for your feet. Designed with a simple small-multiple lace motif set within ribbed columns to be pleasantly interesting, yet straight forward enough in case this might be your first adventure on tiny needles. Classic heel flap construction with subtle textural enhancement plus a comfy spiral toe.

While these socks are not a quick-knit, the fine-gauge knitting epitomizes the grandeur of lace in which you can take special pride in creating.

### Sizing

Women's Small [Medium, Large] for planned finished measurements of leg length 8", foot length 8¼[9½,11]", and sock foot circumference of 7[7½,8]" to fit actual foot circumference of 7-7¾[8-8¾,9 -9½)". (Note: Adjustment points for leg length, foot circumference, and foot length are given in the instructions. If making larger, you may need more yarn.)

### Yarn and Needles

450[500,600] yards / 1½[1¾,2] ounces of laceweight yarn at approximately 300 - 325 yards per ounce / 28 - 30 wraps per inch.

Set of 4 or 5 double point needles in each of these sizes -

US 3/0 (1.5 mm) or size required to obtain gauge of 12 sts/inch over stockinette stitch

US 2/0 (1.75 mm) or one size larger than those used to obtain gauge

Size 24 tapestry needle or other small blunt-tipped needle for closing toe and finishing ends.

**Pictured model** was knitted in Jagerspun Zephyr 50% silk/50% wool yarn in color Vanilla. Zephyr is a worsted-spun yarn known for its strength and durability as a weaving yarn, and thus a good yarn for socks. If you are choosing a less durable yarn, consider knitting nylon reinforcement thread along with your lace yarn in the heel and toe areas.
